EMPOWERING WOMEN TO FIND THE... **WONDER IN THEIR WOMAN**

Making your Mountain your Platform – A conversation for people that want to turn their struggles and trauma into opportunities for growth and passion. Taking this journey will unveil the rawest parts of yourself while discovering how that rawness can fuel your ambition for emotional stability, collective change and/or financial abundance.

Rediscovering the Wonder in your Woman – Most adults, lose the youthful optimism and exuberance they once possessed as a child, this is especially true for women. This talk will help others understand why this happens, what can be done about it and how to reconnect with that part of ourselves to inform how we find the **Wonder in your Woman!**

Refined in the Flame – An in-depth and practical look at G-d's deliverance and restoration, in light of our decisions and faith intensity. Culminating with a call to action encouraging all to seek total deliverance, testify of these works, and ultimately overcome the victim mentality.
